

The FUND for AMERICAN STUDIES

2022 CAPITOL HILL LECTURE SERIES

“Free Markets, Individual Liberty and Civil Society”

The Fund for American Studies (TFAS) and the Office of Senator Rand Paul invite you to participate in the Capitol Hill Lecture Series on “Free Markets, Individual Liberty and Civil Society.” These free educational opportunities allow Washington, D.C., interns to learn from prominent speakers on topics surrounding freedom, civil liberties and free enterprise. The Capitol Hill Lecture Series is open to all D.C. interns and is a great platform to network with other students interested in economic freedom and limited government. The series is generously sponsored by the [Einhorn Family Foundation](#).
